50 SHIRTS. 10 GIFTS. 40 TO SELL.

Plan for £1,180 upfront: shirts £622, shipping £136, branding £147, import allowance £275.
If UK import charges are included in the supplier quote, the upfront cost falls to about £905.
Using the £1,180 budget, 22 paid sales cover the costs. There are 40 shirts available to sell.

YOUR DEAL

Fund this run's actual supplier and import costs, capped at £1,250.
Sales pay your money back first, after refunds and delivery costs.
Once all batch costs are covered, you get 20% of this run's net profit.
One run. No shares. Money is at risk. Agree the terms and repayment date in writing.

WHAT YOU COULD GET

Shirts sold	Run profit	Your 20%
20	£91 loss	£0
30	£478	£96
40 (all sold)	£1,048	£210

Estimated figures using the £1,180 budget, £8 costs per sale and £5 postage per gift. Profit is not guaranteed.
